SERVING YOUTH, FAMILIES, VETERANS & COMMUNITIES THROUGH FISHING & OUTDOOR PROGRAMS

HIGH C'S YOUTH FISHING & OUTDOOR CAMPS are faith-based camps providing fishing or hunting instruction, guided fishing or hunting experiences, leadership training, environmental education, praise and worship time, and Bible study. Our camps have a special heart for ministry for metro youth, military children and single-parent households, but all youth ages 11-17 who love to fish are welcome.

We offer day and overnight camp options. Our camps are typically Monday-Friday, however, several camps vary.

It is our goal to provide a fun, safe and faith-filled environment where youth can develop into the type of people that God has called each of us to be.
