

TEEN RELEASE WAIVER

Fishing For Life conducts a sign-in and sign-out procedure with all children participating in Fishing For Life programs in order to ensure to the extent reasonably possible that all children have a safe and secure experience. Adults authorized by each parent are expected to sign-out and return children from the Fishing For Life program to their home.

I am requesting that my child be released from the Fishing For Life program without adult supervision and be allowed to travel to his/her destination (whether by walking, biking or other) on his/her own. I understand that Fishing For Life cannot be responsible for my child's care or safety once he/she leaves the Fishing For Life program site. There are various dangers that exist between Fishing For Life and my child's destination including among others vehicular traffic, being lost or abducted, environmental hazards and injury from unsupervised activities. I also understand that Fishing For Life has not investigated or made any evaluation of the circumstances regarding the reasonableness of my plan for my child reaching his/her destination, including among others my child's maturity and the location of his/her destination in relation to the Fishing For Life program.

I request that my child be released on his/her own responsibility at the end of the regular program time. I understand the risks and agree to indemnify and hold harmless Fishing For Life from any and all responsibility and liability for my child after his/her departure from the Fishing For Life program.
