To help facilitate such an environment, please review the following Code of Conduct and acknowledge your willingness to abide by it.

1. Appropriate attire is expected at all events. Clothing with crude or inappropriate graphics/text will not be permitted.

3. Should you have any questions or concerns about an event, or about another participant, please contact a FFL employee. Be respectful of other participants.
4. While individuals of age are permitted to consume alcohol purchased at their own expense at certain events, your level of intoxication should never prohibit you from acting in an appropriate manner. We also encourage you to get plenty of sleep and watch the late-night activities. **Alcohol is not permitted at Mount Carmel.
5. FFL staff, vendors, and volunteers work hard to make each event take place. Please be aware of this and treat these individuals with appreciation and respect.
6. Anything that is deemed inappropriate, derogatory, or disrespectful by a FFL staff member is grounds for dismissal.
7. If any of you should decide to go back to the event area or facility at a later time, please remember to patronize the establishments that made this all possible.
